

Internet Xpress, Inc.'s Privacy Policy

Internet Xpress, Inc. will never sell or share any information regarding your account with any other company. We may choose to contact you regarding your account and we may wish to improve our site by the use of cookies, but in no way do we collect personal information for any other company.

We reserve the right to refuse service to any customer at anytime for any reason.

We support the uncensored flow of information and ideas over the Internet and do not actively monitor subscriber activity under normal circumstances. Similarly, we do not exercise editorial control over the content of any web site, e-mail transmission or other material created or accessible over or through the services, except for certain proprietary Web sites. However, we reserve the right to remove any materials that, in our sole discretion, may be illegal, may subject us to liability, or which may violate our Terms and Conditions. Internet Xpress, Inc. may cooperate with legal authorities and/or third parties in the investigation of any suspected or alleged crime or civil wrongdoing. Your violation of this policy may result in the suspension or immediate termination of either your Internet Xpress, Inc. account or other actions without prior notice.

It is Internet Xpress, Inc. intention to:

- Ensure security and privacy of our systems and network, as well as the networks and systems of others
- Comply with existing laws
- Maintain our reputation as a responsible service provider
- Encourage responsible use of the Internet and discourage activities which reduce the usability and value of Internet services
- Preserve the value of Internet resources as a conduit for free expression and exchange of information
- Preserve the privacy and security of individual users

In addition, any client that uses SPAM tactics on the Internet Xpress, Inc. network will be subject to termination without warning. We uphold the Washington State anti-spam law that lays out the following rules:

The law prohibits sending unsolicited commercial e-mail that contains misleading information in its subject line, uses a third party's domain name without permission or misrepresents the message's point of origin.
